

A MUSICAL CHRISTMAS TREE
To Play a Prominent Part in Mr. John Dimling's Mammoth Xmas Display.

A Christmas tree has always been the children's delight, and Mr. Dimling, the well-known confectioner on Market street, near the Diamond, will do his best to please and delight the little folks. He has for their enjoyment a beautiful Christmas tree, handsomely decorated with brilliant ornaments of all kinds and upon a stand which produces sweet music. Mothers should take their Kris-Kringle hunting darlings to see this wonderful tree and the many other pretty things to be seen in Mr. Dimling's fashionable resort. It is always full of the best things in the confectionery line, but he has this season made greater preparations for an extensive business. All kinds of candy made are found on the counters and displayed in beautiful boxes of various designs. Besides what is prepared for the retail trade, he has in stock a vast amount of box candies for the wholesale trade, designed for Sunday schools and Christmas parties.

The best of it all is that any of Mr. Dimling's goods can be bought at the lowest prices, and one can do better to consult him before making holiday purchases of such goods, examine his samples and get his prices.

NEW ADVERTISEMENTS.
HAIR ON THE FACE, NECK, ARMS OR ANY PART OF THE PERSON QUICKLY DISSOLVED AND REMOVED WITH THE NEW SOLUTION
MOPENE

AND THE GROWTH FOREVER DESTROYED WITHOUT THE SLIGHTEST INJURY OR IRRITATION OF THE MOST DELICATE SKIN—DISCOVERED BY ACCIDENT.

In Locomotives, an incomplete mixture was accidentally spilled on the back of the head, and on waiting afterward it was discovered that the hair was completely removed. We purchased the new discovery and named it MOPENE. It is perfectly pure, free from all injurious substances, and so simple any one can use it. It acts mildly but surely, and you will be surprised and delighted with the result. Apply for a few minutes and the hair appears as if by magic. It has no resemblance whatever to any other preparation ever used for a like purpose, and no scientific discovery ever attained such wonderful results. IT CANNOT FAIL. If the growth be light, one application will remove it permanently; the heavy growth such as the beard or hair on the neck may require two or more applications before all the roots are destroyed, although all hair will be removed at each application, and without the slightest injury or unpleasant feeling when applied over and over again. —MOPENE DESTROYER OF UNDESIRABLE HAIR.

—Recommended by all who have tested its merits—Used by agents of refinement. —Gentlemen who do not appreciate nature's gift of a beard, will find a priceless boon in Mopene, which does away with shaving. It dissolves and destroys the life principle of the hair, thereby rendering its future growth an utter impossibility, and is guaranteed to be as harmless as water to the skin. Young persons who find an embarrassing growth of hair coming, should use Mopene to destroy its growth. Notice sent by mail, in safety mailing cases, postage paid, securely sealed from observation on receipt of price, \$1.00 per bottle. Send money by letter, with your full address written plainly. Correspondence strictly private. Postage stamps received the same as cash. ALWAYS MENTION YOUR COUNTY AND THIS PAPER.
